- **Date:** 13th March 2024
- **Timing:** 10:00 AM to 03:30 PM

BRIEF SUMMARY ABOUT OF State Level Workshop Maharashtra

Objective of the Workshop:

1. **Sensitization of ASHA Workers:** The primary goal was to sensitize ASHA workers about the importance of their role in combating tuberculosis within their communities.
2. **Empowerment of Block ASHA Representatives:** The workshop aimed to empower block ASHA representatives by providing them with essential information and certification processes required to declare Panchayats TB-free.
3. **Technical Support through NTEP:** Another key objective was to provide technical support through NTEP, enabling Gram Panchayats to implement effective measures towards becoming TB-free zones.

Introduction:

The ASHA TB Free Panchayats Workshop was organized by the USEA and National Tuberculosis Elimination Programme (NTEP) in Alibag, Raigad, Maharashtra. The workshop aimed to sensitize ASHA workers, empower block ASHA representatives with information and certification processes to declare Panchayats TB free, and provide technical support through NTEP to enable Gram Panchayats to become TB free.

Participants:

The workshop saw an impressive turnout with a total of 230 participants attending the workshop.

Session 1:

The workshop commenced with the registration and breakfast session conducted by the USEA. Dr. Sachin Jadhav, District TB Officer of Raigad, inaugurated the program, emphasizing the importance of eradicating tuberculosis from the region.

Session 2:

Dr. Supriya Vetkoli delivered a comprehensive session on the basics of tuberculosis, enlightening the attendees about the disease's nature and transmission.

Session 3:

Mr. Kirtikant Patil elaborated on the pivotal role of ASHA workers in the National Tuberculosis Elimination Programme, highlighting their responsibilities and contributions.

Session 4:

Dr. Sachin Jadhav then elucidated the criteria, status, and certification process for TB Mukta Panchayats, providing insights into the certification procedure.

The workshop concluded with Prashant Birajdar delivering concluding remarks, expressing gratitude to all participants and stakeholders for their active participation and contributions.

Conclusion:

The ASHA TB Free Panchayats Workshop proved to be an insightful and empowering event, equipping ASHA workers and representatives with the necessary knowledge and tools to combat tuberculosis effectively. The engagement of various stakeholders and resource persons underscored the collective commitment towards achieving TB-free Panchayats in Alibag Raigad, Maharashtra.
